

Dear 100 Days Graduates

An explanation of our 100-day graduate pricing

Everyone who has completed their 100 days at PoV has invested a lot of time, money and healing to move forward on their own path and with us.

Upon graduation, each graduate has earned the opportunity to participate in the PoV Mastery Program and receive the largest discount possible on all PoV events. On international events with Chuck this is up to 50% of the seminar price.

Unfortunately with local events this 50% discount is not possible as the promoters bear the travel and hotel costs of the speaker, as well as the full risk for the event. Also, due to the high number of graduates the participant price for "beginners" would be too high when the discount for graduates is factored in.

This is why we can only offer the 50% discount to 10% of the expected number of participants. For the summer event with Chuck, that is 5 discounted graduate places. These will be allocated on a first come first serve basis ie the first 5 to sign up will get those places. All those who sign up later will receive the lowest seminar price we offer.

Graduates may be assigned as group leaders and so will have the opportunity to join the staff team.

Furthermore, we want to show our appreciation to you in the form that, in addition to the seminar, you will get a one-on-one session with one of the present trainers. This trainer will be decided by lottery and Chuck will also participate in this.

As a gift, at a later date, you will receive a "Light Bite" (2 hour online seminar) with Chuck, to which only graduates are admitted, free of charge.

Thank you.
